

We are locally owned and operated and have taught all ages the importance of safe defensive driving techniques since the early 90's! Many of your friends and family members have been through our variety of courses (listed below) and have come to safely navigate the roads of our busy lower mainland and beyond.

Practical:

Your private lesson will begin with your instructor picking you up at either your home or school and will begin by helping you feel comfortable with our vehicle and will take the time to describe the correct procedure for each maneuver you will be covering, with a minimum of 90% practice driving time. Our instructors record marks to share with the student or parents which assist in working on areas that need more practice. **To benefit most from our driving program, we strongly recommend that students complete a minimum of 2-4 hours of practice between each lesson.** No driving school can guarantee that a student will pass the road test after a set number of lessons. ICBC examiners decide on your fate based on your road test capabilities only. Confidence and patience help create the best possible outcome.

For the purposes of complying with ICBC regulations, we must list the information below for your perusal.

If you cannot make a scheduled appointment, it is **required that you email our office with at least 2 BUSINESS DAYS notice** (weekend and holidays do not count in these days as the office is closed). **We reserve the right to charge you a Cancellation or No Show fee of \$60 (+GST) per lesson hour if you fail to send us an email notification within the allotted time frame.** **Also, if you forget to bring your learners permit with you for your lesson, an automatic \$45 fee (+GST) will be charged.** If you are sick or have a medical emergency and can tell us before your instructor arrives for your lesson, there is no charge. When canceling a road test date, our office needs to have **3 BUSINESS DAYS** notice, or you will be charged a \$25 "no show" fee by ICBC.

If you cannot attend or do not attend your scheduled GLP class, it is **required that you email our office with at least 5 BUSINESS DAYS notice** (weekend and holidays do not count in these days as the office is closed). **We reserve the right to charge you a Cancellation or No Show fee of \$100 per class session missed if you fail to send us an email notification within the allotted time frame.**

Refund Policy:

Any Package refunds are only given at the discretion of OPDS and are subject to a **15% repackaging fee.** Entire GLP package is non-refundable but could be converted to another package if the classroom part not taken yet (repackaging fee will be applicable). **Lessons must be used within 2 years of invoice date**

Acceptable forms of payment are: Visa/MasterCard/e-Transfer or you can come into our office and pay by Debit.
